

PROJECT	LOCATION	CLIENT	YEAR
Implementation of a Single Wind Turbine for the Municipality of Walvis Bay	Namibia	Erongo RED (DANIDA)	2005 - 2006
Hybrid mini-grid project at Gobabeb	Namibia	Gobabeb Centre (DANIDA)	2002 - 2005
Approach to Solar PV Electrification	Angola	MINEA/BP Solar	2005
Feasibility of Solar Water Heater Implementation in Namibia	Namibia	Ministry of Mines and Energy	2005
Transaction advisor - Concession for decentralised rural electricity supply with solar PV systems (SHS, schools & clinics)	South Africa	Department of Minerals and Energy / KfW	2002 - 2005
Solar Technicians Training Workshop	Namibia	Ministry of Mines and Energy	2005
Assessment of two Namibian Solar Home System programmes	Namibia	Ministry of Mines and Energy	2002 – 2003
Business Plan and Implementation Strategy for a Large Scale Off-grid Electrification Programme	Namibia	NamPower	2001
Energy Audit and SWH system design for Hotel Thule	Namibia	Hotel Thule	2005
Energy Efficient Lighting Renovations for Polytechnic of Namibia Lecture Block	Namibia	Polytechnic of Namibia	2005
Energy Study for Polytechnic of Namibia Main Campus	Namibia	Polytechnic of Namibia	2005
Practical training on hybrid systems for the Chinese Brightness Programme	China	GTZ	2003
Grid connected solar PV system for the Habitat Centre	Namibia	National Housing Enterprise	2003 – 2004
Energy Audit at John Meinert Printers	Namibia	PolyTechnic of Namibia	2002
Short course presentation - Boost your energy business	Namibia	CDG/InWent	2002
Technical evaluation of the Fee-for-Service PowerCan system	Namibia	Premier Electric (NamPower)	2002
Technical specifications for the ownership-based SHS programme	Namibia	Premier Electric (NamPower)	2001
Design and implementation of a three phase hybrid PV diesel hybrid system	Namibia	Terranova	1999
FINESSE study into transformation to RE and EE implementations	Namibia	Ministry of Mines and Energy	1997 - 1998
Wind Parks on the Namibian coast	Namibia	Ministry of Mines and Energy/GTZ	1998
